To Whom It May Concern:

Dear Sir:

It is with a great deal of pleasure and without hesitation that I write this letter of recommendation for my friend, Pastor Vickie Lee. I have known Pastor Lee, for more than ten years. My assessment of her personal integrity and professional qualities place her at the top of the 100 plus ministerial associates that I have had the opportunity to observe and evaluate over the years of my pastoral ministry.

Pastor Lee, is a purpose-driven multi-talented person, who has a deep passion to give meaning, purpose, and direction to the lives of those who study under the covering of her ministry--- Saints of Value.

I strongly recommend without reservations that Pastor Vickie be allowed access to the Los Padrinos Juvenile Center, where her giftedness will have the opportunity to be utilized.

Sincerely;

Edward T. Robinson
Senior Pastor
